- (2) An application under this section -
 - (a) shall identify the land to be surrendered and, if the, application applies to only a part of the land subject to the licence, include a plan clearly identifying both the part to be surrendered and the part to be retained;
 - (b) shall state the date on which the applicant wishes the surrender to take effect;
 - (c) shall give particulars of the operations which have been carried on under the licence on the land to be surrendered; and
 - (d) shall be supported by such records and reports in relation to those operations as the licensing authority may reasonably require.

(3) The licensing authority shall not issue a certificate of surrender -

- (a) to an applicant who is in default;
- (b) to an applicant who fails to comply with the reasonable requirements of the licensing authority under paragraph (d) of subsection (2);
- (c) if the licensing authority is not satisfied that the applicant will leave the land to be surrendered and on which prospecting or mining operations have been carried on in a condition which is safe, which accords with good mining practice, and, as applicable, conforms to the requirements of the environmental management plan or the applicable Regulations relating to safety and environmental management;
- (d) in respect of any part of the land subject to the licence if the licensing authority is not satisfied that the land which remains subject to -the licence is capable of being efficiently used or developed according to the terms of the licence.

(4) A certificate of surrender shall take effect on the date on which it is issued to the applicant.

(5) Where the certificate relates to the whole of the land subject to the holder's licence, the licence shall be cancelled with effect from the same date; in any other case, the licence shall be amended to take account of the surrender.

(6) Notwithstanding the issue of a certificate of surrender, the surrender of any land shall not affect any liability incurred; before the date on which the surrender had effect in respect of the land, and any legal proceedings that might have been commenced or continued in respect of any liability against the holder of licence may be commenced or continued against the holder or as the cast may be, the former holder.

Suspension and
Cancellation of
Mineral
Right

57.-(I) Subject to this section and any relevant stipulation in, a development agreement, where the holder of a Mineral Right granted under Division A or B -

- (a) fails in a material respect to comply with requirement of this Act or the Regulations are binding on him;
- (b) fails to comply with a condition of the licence (not being exempted under this Act Or the Regulation from doing so);

- (C) fails to comply with a direction lawfully given under this Act or the Regulations or with a condition on which any certificate of surrender is issued or on which any exemption or consent is given under this Act or the Regulations;
- (d) fails to comply with the conditions relating to the exercise of his rights under his licence which are contained in a relevant development agreement;
- (e) fails to pay any amount payable by him under this Act or the Regulations within one month after the amount becomes due;

the Minister may, on that ground but subject to subsection (2) and the provisions of any relevant development agreement, by notice in writing served on the holder of the licence, suspend or cancel the licence.

(2) The Minister shall not suspend or cancel a licence on a ground referred to in subsection (1) unless -

- (a) he has first served on the holder a default notice specifying the grounds on which, under subsection (1), the licence is liable to be suspended or cancelled;

- (b) the holder has failed within a period of sixty days from the date on which the default notice was served (or such longer period as the Minister may allow) to remedy the default specified or, where such default is not capable of being remedied, has failed to offer in respect thereof reasonable compensation;
- (c) the matter has been referred to the Mining Advisory Committee for its advice.

(3) For the purpose of paragraph (b) of subsection (2) in a case falling under paragraph (e) of subsection (1), a default will not be treated as having been remedied unless, in addition to , paying the amount overdue within the specified time, the holder has also paid interest on that amount at such reasonable rate as the Minister may have specified in the default notice.

(4) The Minister may, by notice in writing to the holder, of a Mineral Right granted under Division A or B, cancel the relevant licence on the occurrence of an event which, as provided under subsection (1) of section 8, would render that person ineligible to be granted a Mineral Right.

- (5) Where two or more persons constitute the licensee and -
- (a) an event occurs of a kind referred to in subsection (4) in respect of one or more but not all of those persons; or
 - (b) one or more, but not all, of those persons fails to comply with an obligation which, under the terms and conditions of the licence or a relevant development agreement, is a several obligation,
- the Minister shall not suspend or cancel the licence, but may serve on any such person (in this section referred to as an "affected person") a notice of compulsory assignment requiring the affected person unconditionally, without consideration and free from any encumbrance, to assign to the licence holders who are not affected persons (in this section referred to as "unaffected persons") the entire interest in the licence held by the affected person.

(6) For the purposes of subsection (5), the affected person, shall make such assignment to the unaffected persons in undivided shares in proportion to the undivided shares in which the unaffected persons hold the licence, and the unaffected persons shall be obliged to accept such assignment.

(7) The provisions of subsection (2) and (3) shall apply to a proposal to serve on an affected person a notice of compulsory assignment as they apply to .. notice suspending or cancelling a licence.

(8) On the cancellation of a licence or a compulsory assignment under this section, the rights of the holder, or as the case may be the affected person, cease, but the cancellation or compulsory assignment does not affect any liability incurred before the cancellation or assignment and any legal proceedings that might have been commenced or continued against the former holder may be commenced or continued against him.

PART VI

FINANCIAL PROVISIONS

Royalties

86.-(1) Every authorised miner shall pay to the Government of the United Republic a royalty on the net back value of minerals produced under his licence at the rate —

- (a) in the case of diamonds, of five per centum; and
- (b) in the case of any other mineral, of three per centum.

(2) Notwithstanding the provisions of subsection (1) an authorised miner of raw gold or gemstones who elects to sell his production to a licensed dealer or licensed broker the royalties of such minerals shall be paid by the licensed dealer in accordance to the provisions of section 88.

(3) In this section -

"net back value" means the market value of minerals FOB at the point of export from Tanzania or, in the case of consumption within Tanzania, at the point of delivery within Tanzania, less -

- (a) the cost of transport, including insurance and handling charges, from the mining area to the point of export or delivery; and
- (b) the cost of smelting and refining or other processing costs unless such other processing costs relate to processing normally carried out in Tanzania in the mining area,

"market value" means the realized price adjusted if necessary for a sale FOB at point of export from Tanzania or point Of delivery within Tanzania:

(4) The Minister where he considers that the realised price does not correspond to the price which would have been paid for, the minerals if they had been sold on similar terms in a transaction at arms length between a seller and a buyer, may give notice to that effect to the licence holder.

(5) Where such notice has been given under subsection (4) the amount of the market value shall be settled by agreement been paid for ween the Minister and the licence holder or, if no agreement , reached, the matter shall be referred for determination by an ind pendent expert appointed in a manner prescribed by the Regulation

(6) Subject to this section, samples of minerals acquired for the Purposes of assay, analysis or other technical examination shall be exempt from royalty payment.

Remission
and defer-
ment of
royalties

87.-(1) The Minister shall, on application by an authorised miner who is liable to pay royalty under subsection (1) of section 86, defer payment of royalty due if, during any period for which a payment of royalty is due (in this section referred to as "the royalty payment period"), the cash operating margin of the authorised miner in respect of mining operations in the mining area falls below zero. In any such case, the amount payable on account of royalty in respect of that period shall be reduced to such an extent as is necessary to increase the cash operating margin to zero, and payment of the difference between the royalty due in respect of that period and the reduced amount shall be deferred.

(2) Where the payment of any royalty is deferred under subsection (1) -

- (a) it shall be accumulated with any other deferred payment of royalty which is outstanding;
- (b) the amount outstanding shall become payable when royalty is due in respect of the next following royalty payment period or periods in which, after the deduction of the royalty then due, the cash operating margin is positive;

- (c) the sum payable on any particular occasion under paragraph (b), shall not exceed that which would reduce the cash operating margin for the relevant royalty payment period below zero.

(3) In this section, the "cash operating margin" means the amount derived by deducting operating costs from revenue, where -

- (a) "operating costs" means cash expenditures incurred in mining operations after the commencement of production from the mining area other than -
 - (i) capital expenditure;
 - (ii) provision for depreciation;
 - (iii) financing charges, including interest on loans and fees and related charges in respect thereof,
 - (iv) agency fees or any other fees or charges directly or necessarily related to production and disposal of minerals from mining area; and
- (b) "revenue" means the gross value of all sales other disposals of minerals.

Payment

in lieu

of royal
ties

88-0) Every Person who is a licensed dealer shall in accordance with the terms and conditions of his licence, this Act, - and the Regulations make to the Government of the United Republic a payment in lieu of royalty on the net back value of any raw gold or gemstones which is -

- (a) exported by him; or
- (b) in the case Of gold, sold to a gold refinery in Tanzania; or
- (C) in the case Of gemstones, sold to a duly authorised lapidary.

(2) This section shall not apply where the licensed dealer is an authorised miner who has paid royalty On those minerals in accordance with the provisions of subsection (1) of section 86.

(3) For the purposes of subsection(1), "net back value" has the meaning attributed to those words in subsection (3) of section 86 and that provision shall apply, with the necessary variations, to the export or a sale Of minerals by a licensed dealer as they apply under section 86 to the payment Of royalty by an authorised miner.

Provi-
sional as-
sessment
of royal-
ties

89.-(1) The Minister may where for any reason, it is impractical to assess the amount of any royalty, or payment in lieu of royalty, assess, and the authorised miner, or as the case may be, the licensed dealer, shall be liable to pay, a provisional royalty, or make a provisional payment in lieu of royalty.

(2) When, in any such case, the amount of the royalty or payment in lieu of royalty is ascertained, the authorised miner, or the licensed dealer, shall be liable for any balance or, as the case may be, shall be repaid any excess sum paid by him on such provisional assessment.

Sorting
fees

90. The Minister shall by notice published in the Gazette prescribe the fees to be payable for purposes of sorting and valuation of gemstones produced or acquired by an authorised miner who opts to sell the gemstone produced or acquired by him to the company which is in the control of such authorised miner whose names shall be published in the *Gazette*.

91.-(1) If an authorised miner or a licensed dealer fails to pay royalty or provisional royalty, or make any payment or provisional payment in lieu of royalty on or before the due date, or any extension of time allowed by the Minister, the Minister may-

Prohibition on disposal of minerals

- (a) in the case of any such authorised miner, by order served on him, prohibit the disposal of any mineral from the mining area concerned, or from any other mining area held by that person; or
- (b) in the case of a licensed dealer, may prohibit the disposal of any mineral by that dealer until all outstanding royalties or Payments in lieu of royalties have been paid or until an arrangement has been made acceptable to the Minister for the payment thereof.

(2) Any authorised miner, or licensed dealer, who contravenes or fails to comply with an order given under subsection (1), and any person who, knowing of such order and receives any mineral the disposal of which has been prohibited, commits an offence and is liable on conviction-

- (a) in the case of an individual, to a fine not exceeding one million shillings or to imprisonment for a period not exceeding two years, or to both; in the case of a
- (b) body Corporate, to a fine not exceeding five million shillings;

- (c) in the case of a person receiving minerals knowing their disposal to have been prohibited to forfeiture of the minerals or where the Court is satisfied that the minerals so obtained by the defendant are no longer in his possession or under his control to a penalty payable to the United Republic in an amount equal to the estimated market value of the minerals for which the defendant and the authorised miner or dealer shall be jointly and severally liable.

Charges
in respect
of Mineral
Rights
and li-
cences

92-(1) In addition to any application fee there shall be Payable to the Government of the United Republic in respect of every Mineral Right, dealer's licence or broker's licence granted under this Act an annual charge payable on the grant of the Mineral Right or dealer's or broker's licence and thereafter annually on the anniversary of the grant so long as the Mineral Right subsists.

(2) The annual charges referred to in subsection (1) shall be of such amount as may be calculated and prescribed in the Regulations.

PART VI
FINANCIAL PROVISIONS

Royalties

86.-(1) Every authorised miner shall pay to the Government of the United Republic a royalty on the net back value of minerals produced under his licence at the rate —

- (a) in the case of diamonds, of five per centum; and
- (b) in the case of any other mineral, of three per centum.

(2) Notwithstanding the provisions of subsection (1) an authorised miner of raw gold or gemstones who elects to sell his production to a licensed dealer or licensed broker the royalties of such minerals shall be paid by the licensed dealer in accordance to the provisions of section 88.

(3) In this section -
"net back value" means the market value of minerals FOB at the point of export from Tanzania or, in the case of consumption within Tanzania, at the point of delivery within Tanzania, less -

- (a) the cost of transport, including insurance and handling charges, from the mining area to the point of export or delivery; and
- (b) the cost of smelting and refining or other processing costs unless such other processing costs relate to processing normally carried out in Tanzania in the mining area,

11 market value means the realised price adjusted if necessary for a sale FOB at point of export from Tanzania or point of delivery within Tanzania:

(4) The Minister where he considers that the realised price does not correspond to the price which would have been paid for the minerals if they had been sold on similar terms in a transaction at arms length between a seller and a buyer, may give notice to that effect to the licence holder.

(5) Where such notice has been given under subsection (4), the amount of the market value shall be settled by agreement between the Minister and the licence holder or, if no agreement is reached, the matter shall be referred for determination by an independent expert appointed in a manner prescribed by the Regulation.

(6) Subject to this section, samples of minerals acquired for the purposes of assay, analysis or other technical examination shall be exempt from royalty payment.

1

mission
d defer-
ont of
; yalties

87.-(1) The Minister shall, on application by an authorised miner who is liable to pay royalty under subsection (1) of section 86, defer payment of royalty due if, during any period for which a payment of royalty is due (in this section referred to as "the royalty payment period"), the cash operating margin of the authorised miner in respect of mining operations in the mining area falls below zero. In any such case, the amount payable on account of royalty in respect of that period shall be reduced to such an extent as is necessary to increase the cash operating margin to zero, and payment of the difference between the royalty due in respect of that period and the reduced amount shall be deferred.

(2) Where the payment of any royalty is deferred under subsection (1) -

- (a) it shall be accumulated with any other deferred payment of royalty which is outstanding;
- (b) the amount outstanding shall become payable when royalty is due in respect of the next following royalty payment period or periods in which, after the deduction of the royalty then due, the cash operating margin is positive;

- (c) the sum payable on any particular occasion under paragraph (b), shall not exceed that which would reduce the cash operating margin for the relevant royalty payment period below zero.

(3) In this section, the "cash operating margin" means the amount derived by deducting operating costs from revenue, where -

- (a) "operating costs" means cash expenditures incurred in mining operations after the commencement of production from the mining area other than -
- (i) capital expenditure;
 - (ii) provision for depreciation;
 - (iii) financing charges, including interest on loans and fees and related charges in respect thereof,
 - (iv) agency fees or any other fees or charges directly or necessarily related to production and disposal of minerals from mining area; and
- (b) "revenue" means the gross value of all sales other than disposals of minerals.
